

REMARKS

Claims 8 -14 are pending in the application.

The English translation of the present application was filed on February 8, 2007, along with a Preliminary Amendment. The present amendment is submitted due to the fact that the previous preliminary amendment filed February 8, 2007, erroneously did not have status identifiers for the claims. In addition, claim 14 is presently amended to correct the typographical error for the dependency of this claim. Claim 14 as amended now correctly reads that it is dependent upon claim 8 (in lieu of claim 1).

Should the Examiner have any comments or suggestions, the undersigned would very much welcome a telephone call.

Respectfully submitted,

Robert W. Becker, Reg. No. 26,255
